The annual Candlelighting with a Healing Mass was held Tuesday evening at the Blessed Sacrament Church, Centre Avenue in New Rochelle under the auspices of the Morning Star Society and Alzheimer's Foundation of America. Cancer is a Killer and Alzheimer is a thief of our memory; slowly it will rob us of our own identity, gradually affecting our memory, thinking, and behavior. We are here to pray for all those who are seriously ill and ask to be cured. Particularly, we unite in a prayer for Lucia, the courageous New Rochelle police officer who is in Texas going through a special program hoping to cure her illness. We also pray for Gianna, Dee, Carlo, Theresa, Josephine, Pat
